Parts and repairs can get expensive

Platinum Plus Warranty

Typical prices for commonly failed parts below, by upgrading your vehicle cover to our Platinum Plus Warranty, these will be replaced at no additional cost.

The parts and labour estimates given are for illustrative purposes only and are based on replacement parts for a Range Rover Evoque P300e and all costs include VAT. Prices correct at time of printing.

The included components are subject to the terms as described in your warranty agreement and are also subject to certain limitations in the maximum amount paid in the event of a breakdown.

Breaking down at the side of the road can be stressful, leaving you without your car and unable to get to your destination. When disaster strikes, let us help you out and get you moving again as quickly as possible.

What is Customer Protect Assist?

Customer Protect Assist is a breakdown recovery service provided by our trusted partners, Call Assist. The Call Assist Rescue Controllers are trained to the highest standards and backed by the latest mapping facilities together with a fully trained network of Recovery Operators throughout the UK. Available 24 hours a day, 365 days a year, they're always on hand should disaster strike.

What's included?

Quick and efficient roadside repairs to get you back on the road.

Vehicle, driver and 5 passenger recovery to the nearest garage if roadside repair not possible.

Recovery to your home address or original destination if repair not possible at garage.

Repairs at your home address or within a one mile radius if you break down at or very close to home. Recovery to garage if repair not possible at home.

What are the benefits?

Fast access to a dedicated recovery network in the event of breakdown. No need to search for someone to recover you in an already stressful situation.

24/7 recovery 365 days a year.

Peace of mind knowing there's someone there to help you.

How do I make a claim?

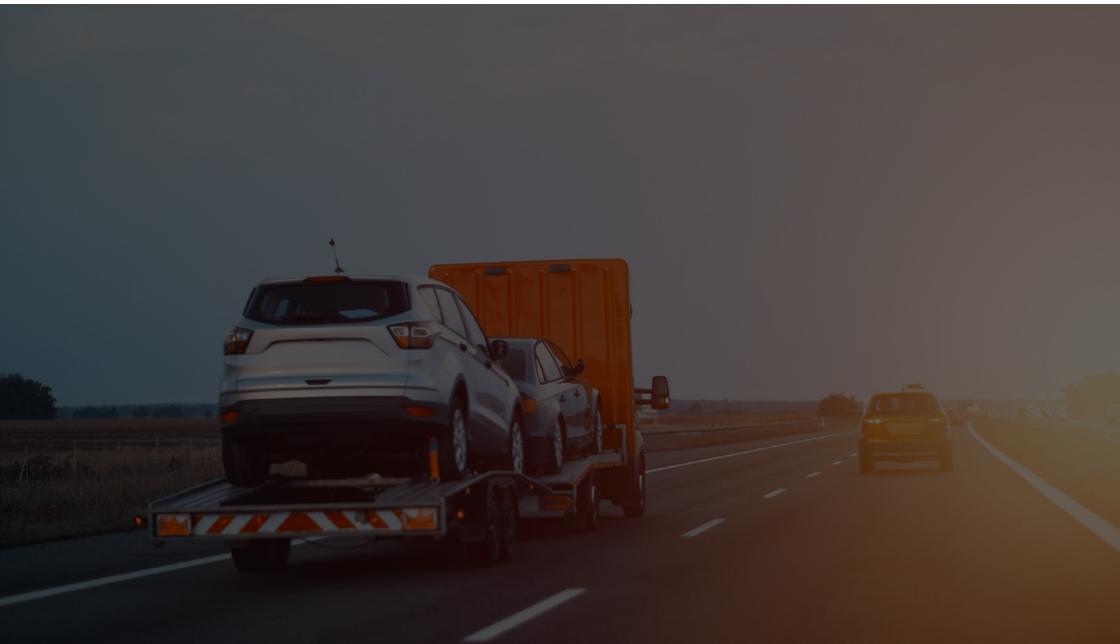

If you need urgent help in the event of a breakdown you can arrange for help by calling the 24-hour Control Centre on 01206 714329.
