# TYRE & ALLOY WHEEL

MAINTENANCE PLAN

No matter how careful you are, punctured tyres or scuffs and scratches to your alloy wheels seem to be a fact of life. Our Williams F1 Tyre & Alloy Protection eases the financial burden and worries that come when your wheels or tyres are damaged.

## Inspection

The plan will provide 4 quarterly maintenance inspections per annum, it will comprise of a cleanse and visual check on the items listed in below to ascertain whether these items require any treatment/repairs and if a treatment/repair can be applied.

## Treatments/Repairs

During the inspection, in the event that the maintenance agent identifies a treatment/repair requirement to the tyre or alloy wheel of your vehicle and which can be treated using cosmetic/tyre treatment techniques (as defined in the Terms and Conditions), we will provide:

### Tyres

Unlimited number of puncture repairs. If a puncture repair cannot be completed then we will replace up to 5 tyres for the duration of the agreement.

### Alloys

Up to 10 treatments for debris marks, scuffs, scrapes/scratches or other minor indentations. If treatment cannot be completed, then we will contribute up to £150 for a standard alloy and £200 for a diamond cut alloy replacement.

All treatments/repairs are guaranteed for 12 months.
